Make letter flashcards at home by writing one letter on each piece of paper or index card. Spread them out in front of your child and ask her to find different letters.

Look through a magazine with your child and look for the letters in his name together. Cut out the letters and have your child make a name collage for his room.

### **LETTER ID BINGO GAME**

Campers played a letter version of BINGO to learn the letters W, O, L, F, B, P, I, G, T, A. Play along with your child with the attached Bingo Card!

### **LETTER SCAVENGER HUNT GAME**
